Greetings San Antonio Alamo Area Local,

I wanted to reach out and congratulate you and your Local on a job well done. Your commitment to organizing and to building a stronger APWU is making a difference, and we appreciate the work you're putting in.

Enclosed is your **2026 Organizing for Our Future – Leading the Way** certificate in recognition of your organizing efforts.

Through your leadership, the San Antonio Alamo Area Local is one of our top Locals in the category representing 1000-1999 employees. That is quite an accomplishment, especially for a Local your size, and you should be proud of the work you've done to get there.

Of course, we still have work to do. Our goal is 100% organized, and that means continuing to have those conversations with our non-members and giving them the opportunity to become part of the APWU family.

The National Organization Department will continue to bring you new organizing tools, ideas, and strategies to help with that work. If you need organizing materials, information, or assistance, please don't hesitate to reach out. We're always happy to help.

Thank you again for your continued commitment to organizing the unorganized. We appreciate your efforts and look forward to seeing what we can accomplish together.

Organizing in Union Solidarity,

Anna Bostwick
Organization Director
